This is to certify that

## 丸和建設株式会社

The Sustainable Development Goals are the blueprint to achieve a better and more sustainable future for all. 
They address the global challenges we face, including those related to poverty, inequality, 
climitar, environmental degradation, prospectity, and peace and justice. 
The Goals interconnect and in order to leave no one behind, 
it is important that we achieve each Goal and target by 2030.
